The Journey of a Woman's Heart

ARE WE THERE YET? Grab a few traveling companions and join us for the journey of a lifetime! Retreat speaker, Renee Swope speaks with warmth and transparency as she shares seven travel essentials for every woman's journey. Based on lessons she's learned along the way, Renee teaches from the timeless Truths of God's Word. She helps women take time for rest stops and make room for road construction so God can fill the potholes in our hearts. Move beyond

the roadblocks of comparison and control as you travel with peace in your heart and purpose in your path. You'll even discover hope and joy for the journey ahead!

Renee Swope is a wife, a mom and a friend. She's also a speaker and author with Proverbs 31 Ministries and co-host of the ministry's radio program which airs on over 1000 stations across the world. To find out more, visit www.proverbs31.org.
