

THE ANSWER

Week Two: Do you want to get well?

We are trying a new format for our discussion questions this week. Because there are fewer questions, we encourage you to spend more time on each, allowing everyone to have a chance to answer if they want to. We'd love to hear your feedback on how this works for your group and how we can improve. Send us an email and let us know your thoughts at smallgroups@gethope.net.

Main Idea

"Do you want to get well?"

Discuss

What is something in your life that keeps your relationship with people or Jesus from being healthy?

What does the Bible say?

Read John 5:1-15

If Jesus asked you "Do you want to get well?" with regards to this issue in your life, how would you respond (be honest)? Would you hesitate at all? Why or why not?

Apply the Message

What step can you take this week to move towards Jesus, so that He can make you well in this area? Write these ideas down as a group so you can talk about them next week with each other and discuss how you did.

Who do you know that is dealing with a similar issue as you? How might Jesus use you in helping make them well? Make a point to interact with that person this week and see what the Holy Spirit will do!
