

# Baptism

## Week two

### Main Idea

Getting baptized is an incredibly important part of your walk with God. Baptism grounds you and attaches you to what is really true you as a new creation.

### Starter

Describe a time where you were skeptical about trying something new, but once you tried it you were glad you did.

### Discuss

What does the symbol of baptism remind us of and why is that important? Discuss your baptism story with your group.

If you have not been baptized and you are a Christ-follower, what is stopping you?

### Read

Romans 6:1-4, 2 Corinthians 5:17 and Matthew 3:13-17

How could believing the truth that you are a “new creation” in Christ change how you see yourself?

### Apply the message

If you are a Christ follower and have not yet been baptized, we encourage you to sign up today.

If you have already been baptized we would love for you to attend our baptisms and celebrate this amazing life change with your community.
