

Financial and Practical Help in Times of Need

We consider helping individuals in financial crisis who are current mission partners or who have been attending Hope for at least three months, with rent, gas, water or electric bills. Approval is not guaranteed.

Applications are available to regular Hope attendees at our Raleigh and Apex campus offices M-F, 9:00 a.m. - 5:00 p.m. Documentation of money owed must be provided with application. Please allow 7-10 days for your application to be processed.

You can also reach us at Hope's financial hotline by calling 919-532-8405.

Car Repair

We work with local mechanics who offer their labor at discounted rates to fix vehicles for single parents and the elderly. Individuals who apply will be considered for financial help. Often we can't cover the cost of the whole repair, but with the help of the discounted labor and financial assistance, our goal is to make the repair as affordable as possible. At this time we are currently only assisting singles and elderly that have been attending Hope for a period of three months or more. Funerals

The death of someone you love is very challenging. Planning a funeral or memorial service to honor, remember, and celebrate loved ones can feel overwhelming. Let Hope's Care Ministry staff help you during this difficult time. We can help you plan your loved one's memorial or funeral—and can lead your service, whether it's held at Hope (depending on availability) or elsewhere.
