

Lessons From A Quarantine

Week five

Main Idea

When we go through life's difficulties, we must let those tough times be our opportunities to rebuild.

Starter

Tell us a time when you had an "I didn't see that moment" when starting a project either at home or work.

Discuss

Elaborate on a time where God showed up for you while you were going through a difficult time and you were able to rebuild because of His intervention.

[Nehemiah 2:20](#)

How can you encourage those in your group that need to rebuild?

Apply

1. We have all experienced some sort of struggle that may have caused us fear; what area of your life do you need to surrender to God?
2. After identifying that area, what strategy will you take with those you are surrounded with now?
