

Dear Hope,

Time. Talent. Treasure. The Gospel message is clear; whatever we have is to be used to invest in the Kingdom of God. Our generosity to those in need is simply a reflection of His generosity toward us.

INSIDE THIS ENVELOPE

IS AN OPPORTUNITY.

This money is entrusted to you to demonstrate a spiritual truth. When we invest in things that honor God, He will increase it above and beyond our understanding as shown in Jesus' parable of the mina. We pray you would ask for God's help concerning how to multiply this investment not for your recognition but for God's glory.

WE ASK ONLY FIVE THINGS:

- Don't spend it on yourself.
- Prayerfully invest the money in a way that yields the best result.
- Consider pooling your investment as a small group, family members, or neighbors. (If you do not have a small group, please contact your area pastor and we will connect you with one.)
- Return your money in the enclosed navy envelope during the weekend of April 18 & 19 or go to gethope.net/mina to return your money through our online giving system.
- Share your story with us at mina@gethope.net.

HERE IS OUR OPPORTUNITY AS A CHURCH

TO MULTIPLY GOD'S BLESSINGS. KEEP AN

OPEN HEART AND MIND AS YOU PRAY FOR

HIS DIRECTION.

Together with you,

Mike Lee
