MAIN IDEA

The message of the Easter is the only thing that can change our lives for eternity.

STARTER

What was your favorite Easter tradition as a kid?

DISCUSS

What is something you are celebrating in your life right now?

READ

Have everyone take turns reading Luke 24:1-35 and discuss:

- What does Easter show you about God and what He wants for your life?
- If someone asked you why you are a Christian, what would you say?
- What do you most appreciate about Jesus in your life?

APPLY

Have everyone share a way they are grateful for Jesus and one way they need Jesus in their life right now.

Spend some time praying for each other, the church, and your friends that don't yet know Jesus.
