DISCUSS

What has been your best experience with “church” to this point in your life? What made it great?

READ

Read [John 17:20-23](#) and discuss:

- What does this passage show you about God and what He wants for you?
- In your own words, why is unity in the church important to God’s mission?
- How has the season of COVID 19 impacted your experience of church?
What sense of loss have you experienced?
What new opportunities for growth or mission have you discovered?

Discuss the idea: For a family, team, or church to be at its best, everyone must think ‘we’ over ‘me’.

- What is an area of your life you could grow in putting the needs of the “team” over your own needs?
- What is a way you could be more “in it together” for the church’s mission?

APPLY

Have everyone spend thirty seconds to be quiet and ask God, “what is one thing you want me to believe or do differently because of this time together?” Then, in 30 seconds or less, share what God is leading you to do with your group.

Spend some time praying for each other and for the unity of our church in the pursuit of God’s vision to reach the Triangle and change the world.
