READ

Read [Luke 12:12-21](#) as a group and discuss:

- What does this story show you about Jesus and what He wants for your life?
- How does the temptation of greed and “building bigger barns” impact you?

Take turns reading [Matthew 6:19-34](#) as a group. Pay attention to one phrase or promise that specifically encourages you.

- What truth from this passage of Scripture do you need embrace more fully in your life?
- What is a worry about money you need to let go of to live a more generous life?

APPLY

Have everyone take a minute to pray and ask God to one step you could take toward living a more generous life toward God and others. In a minute or less, share the step of faithfulness you believe God is leading you to take with your group.

Spend time praying for each other to trust God is enough to provide for you and live with incredible generosity in response to His grace in your life.
