## MAIN IDEA

The Holy Spirit is our guide to live more for God's will in our lives.

## STARTER

Where is your favorite place to go for vacation?

## DISCUSS

In the last week, what is the moment you are most grateful for?

## READ

Read [John 16:7-13](#) and discuss:

- In this passage, what does Jesus promise about the role of the Holy Spirit in our lives? What does that show you about what God wants for or from you?
- What is an area in your life you need wisdom and guidance from God in this season of your life?

Read [Ephesians 5:18](#) and [Galatians 5:22-25](#) and discuss:

- Which of the fruit of the Spirit do you feel like is strongest and weakest in your life right now?
- What gets in the way of you seeking the Holy Spirit's guidance? Is there anything you need to stop or start doing to seek to listen to Him more in your life?

## APPLY

Have everyone take 2 minutes of quiet time and ask the Holy Spirit for guidance for a truth from God's Word He wants you to embrace more fully and a step of faith He wants you to take this week. Take turns sharing what you believe the Holy Spirit is leading you to do in 30 seconds or less. Spend time praying for each other.
