

TABLES AND CHAIRS

SMALL GROUP WEEKLY VIDEO: [HTTPS://VIMEO.COM/589727663/5CE94162AA](https://vimeo.com/589727663/5CE94162AA)

MAIN IDEA

God wants us to share faith and life together in community.

STARTER

What do you most appreciate about being a part of your small group?

DISCUSS

What is an example of how you have seen the love of Christ break down walls between people that are different?

READ

Read [Matthew 26:17-30](#) when Jesus first shared communion with His disciples. Discuss:

- What does communion teach us about God? About ourselves? About what God wants for our lives?
- What is most significant to you about the symbol of communion to you?

[Use this guide](#) to help you prepare to share communion together as a group. Share communion and then discuss:

- What is one way you need Jesus' forgiveness or strength in this season of your life?
- How could your group be welcoming to new people during Group Connect?

APPLY

Have everyone identify one person who needs community. Share who they are and one thing you could do to invite them to your table for greater relationship together over the next two weeks (coffee, lunch, a sports game, etc).

Spend time praying for each other and the people who might be disconnected from community in your life.
