**SMALL GROUP WEEKLY VIDEO:** [HTTPS://VIMEO.COM/596629075/4865043ECE](https://vimeo.com/596629075/4865043ECE)

## MAIN IDEA

God calls us love people where they are by being salt and light in the world.

## STARTER

What activities do you enjoy that could be normal opportunities to love and connect with people that are disinterested in God or church?

## DISCUSS

Follow up from the challenge of the last two weeks. Is there anyone you have taken steps to connect with for a meal, coffee, or an activity? If so, how did it go? If you haven't connected with your friend, what is holding back?

## READ

Read [Matthew 5:13-16](#) and discuss:

- What does this Scripture say about your identity and purpose? How is the call to be salt and light encouraging to you?
- In this season of your life, what is your biggest challenge to shining your light in the world?
- What is one way you could be more intentional with the resources God has given you to be a light to those around you?

## APPLY

Have everyone take a moment to pause and pray. Share one step you could take to be more of a light in a dark world and one way area of your darkness you need Christ's wisdom or strength in your life. Spend some time praying for each other's needs and for opportunities to share the love of Christ with others.

Follow up on your group's plan for your social event next week and your plans to invite people to your group.

If you haven't signed up to pray for your family, friends, and neighbors once a week, don't forget to sign up to own your street.
