

Christmas Services

Can kids be in the service?

Absolutely! The service is appropriate for all ages and the entire family is encouraged to attend together! Please note there will be no KidCity (our ministry for birth through 5th grade) during Christmas Eve services.

Why do I need tickets if you are not charging?

We use ticketing to for planning purposes so we know how many people to expect. We want to ensure that everyone who attends has a memorable experience and that no service ends up overcrowded.

What kind of church is Hope?

Hope is a non-denominational church. Weekend services feature energetic music, relevant messages, and something for everyone in the family.

Where should I park?

You are our guests and we want your experience to be positive! Our parking lot volunteers (we call them roadies) will help you once you arrive to determine where to park. Satellite parking and buses will be available at the Raleigh campus in case the lot fills up. Additional parking for services in Raleigh will be open at 1101 Buck Jones Road, Raleigh.

What if someone in my group needs wheelchair-accessible seating?

We've got you covered! Wheelchair-accessible seating is available in designated areas during every service. Please check this option as needed when you reserve your tickets. Please email firstimpressions@gethope.net for further details, if needed.

Is special needs support available?

All families are encouraged to attend services with their families and everyone is welcome. If your family is impacted by special needs and there are individuals who are unable to attend service in the auditorium, our Special Needs Ministry will be providing individualized support during specific services to ensure everyone has the opportunity to participate in a ministry environment appropriate with their needs. Please contact our Special Needs Ministry at specialneeds@gethope.net if you have any questions.

Christmas Services

ASL Services

ASL interpretation will be available at the Raleigh campus during the 2:00 p.m. service on Friday, December 24. Closed captioning will also be available for Christmas Eve services streamed on gethope.tv.)

Will you have any refreshments available?

We are excited to announce that hot cocoa is back this year! Grab a cup and get in the spirit. It's free!

What about masks?

Masks are optional at most services and we encourage people to use their best judgement when deciding whether or not to wear a mask. The 2:00 p.m. service on December 22 at the Raleigh campus will be fully masked—all guests, volunteers, and staff will be required to wear a mask during this service. We want to ensure everyone has a chance to enjoy a live Christmas Eve service, and we hope this opportunity will serve many who might otherwise not feel comfortable attending.
