

# JULY 10 PROMOTION WEEKEND

IT'S TIME TO MOVE UP A GRADE!

You  
Belong  
Here

## WHEN IS IT?

Sunday July 10, 2022

## WHAT IS IT?

Promotion Weekend is when children and teens move up to the next age or grade level of Family Ministry programming.

## WHY IS IT SO IMPORTANT?

We want to be intentional about creating connections and building friendships between your children and their peers and leaders. While students often find themselves transitioning at different times based on school or track, Promotion Weekend is an opportunity for all promoting children and teens to move up at the same time. This allows students to feel a sense of community and ensures that they'll be surrounded by familiar faces as they transition to a new class.

## WHAT AGES WILL BE PROMOTING?

Promotions will vary between campuses, but not to worry! **Volunteers will be ready to assist you at check in.**

Children who will be **entering kindergarten** this summer or fall move from our preschool to elementary environment. We look forward to welcoming them!

All **rising 6th graders** will move into middle school environments where they will be able to check in without parental supervision for the first time. We encourage you to sign up for Best of the Mess and get to know your MSM pastor. Intersection is not offered in MSM to parents who serve. We encourage your student to check out all our serving options at [gethope.net/serve](http://gethope.net/serve).

All **rising 9th graders** can jump into HSM summer events and take some time to get to know HSM pastors. Small groups will kick off in August.

**A note for parents with little ones, you will likely not be affected by Promotion Weekend.**
