

Worship: Week Two

Main Idea

One of the best ways to worship God is by the way we love one another.

Starter

Where is your favorite place to go for vacation? What do you love about it?

Discuss

What is a step of faith God has asked you to take recently? What happened, and what did you learn?

Scripture

Have your group read [1 Corinthians 13:1-13](#) and discuss:

- What does this passage say to you about God and what He wants for your life?
- How does this view of love challenge you?
- Which characteristic is most convicting to you as a weakness? Why?
- Share an area of your life (marriage, parenting, work, friends, etc.) where you need God's help to love people more like Jesus?

Apply

Take a minute to have everyone pause and ask God to show them

- one way they need to rely on God's grace and love in their own hearts.
- one way they need to extend His love more fully to others.

Share in 1-2 minutes what the Holy Spirit is saying to you, and then spend time praying for each other.
