

This Verse Changed My Life: Week Two

Main Idea

When you begin to understand how much Jesus loves you, it will change your life forever.

Starter

Where is the weirdest place you have ever seen a Bible verse?

Discuss

When did you first understand that Jesus loves you? How did that change your life?

Scripture

Read [John 3:1-17](#) and discuss.

- What does this passage show you about Jesus and what He wants for us?
- In your own words, what does Jesus say He came to save us *from* and to save us *for*?
- How do you struggle to believe God loves you? What is a lie you feel tempted to believe instead?
- What would it look like for you to show more of God's love to others in your family, neighborhood, or workplace?

Apply

Pass out notecards and have everyone draw 3 circles that represent the 3 different places they go every week. Write down the name of someone they want to show God's love to in a greater way.

- Circle 1: Where you live
- Circle 2: Where you learn or work
- Circle 3: Where you go for fun (or for your kids)

Partner up into groups of 2-4 and spend time praying for each other to believe and to show God's love to those around them.
