

This Verse Changed My Life: Week 3

Main Idea

God does not want us to pretend we are perfect, but wants to give us His grace and power in our weakness.

Starter

What are you most looking forward to about the Fall?

Discuss

How has God given you an opportunity to trust Him with a weakness or failure recently?

Scripture

Read [2 Corinthians 12:1-10](#)

- What does Paul say about his weakness in this passage?
- How have you felt the pressure to be perfect or “cover up your weakness” in your life?
- How does the promise in verse 10 encourage or challenge you to think or live differently?
- What is a thorn in your flesh that you have struggled with?

Apply

Have everyone spend a moment of quiet prayer and reflection on the following questions:

- How could you boast in your weakness rather than cover up your weakness?
- How do you need Jesus’ grace in your life right now?

Have everyone share in 1 minute or less and spend time praying together as the Holy Spirit leads.
