

## Rhythm - Week 2

### Main Idea

If we want to be part of God's plan to change the world, we need to see ourselves as servants wherever we go.

### Starter

What is your favorite and least favorite chore to do around the house?

### Discuss

When have you experienced the most purpose in your life serving others? What was it about this opportunity that you enjoyed most?

### Scripture

Read [John 13:1-17](#) and discuss:

- What does this passage show you about Jesus and what He wants for us?
- Put yourself in the disciple's shoes in this moment. How would you have felt if Jesus wanted to wash your feet? How do you think that act would have impacted your life?
- How does Jesus' example of serving others encourage or challenge you the most?

Have someone read [Philippians 2:1-11](#) and discuss:

- What would it look like for you to see yourself more as a servant in your everyday relationships?
- What are some everyday activities you do or places you go that could provide you with opportunities to serve others?

### Apply

Before you close your group, have everyone take a quiet moment to pray and reflect:

1. What is one Biblical truth about your identity in Christ you need to embrace more fully?
2. What is one step you could take to serve others more like Jesus?
