

## Rhythm - Week 6

### Main Idea

Celebration is one of the important rhythms we need to embrace if we want to live on mission with Jesus.

### Starter

What is something you have recently celebrated or something you are looking forward to celebrating?

### Discuss

How has this series on “rhythms” challenged you to grow?

### Scripture

Read [John 2:1-12](#) and discuss:

- What does this passage show you about Jesus and His mission?
- While you probably can't turn water into wine, what would it look like for you to follow Jesus' example of being present and serving others in the celebrations you attend?
- What opportunities to celebrate with others do you have coming up soon? How could you be more intentional to live on mission in those celebrations?

### Apply

As we close this series, have everyone take a quiet moment to reflect and ask God:

1. What is a key Biblical truth God wants you to embrace more fully in your life?
2. What is a way you need the Gospel right now? How can we pray for you?
3. Who is someone you pray will come to know the hope of Jesus this Easter?

Share with the group what God put on your heart. As the Holy Spirit leads, pray for each other and the people you want to know the hope of Jesus.

### Family Conversation Question

This week, spend some time talking with your family (this could be your spouse, your kids, or your brothers and sisters in Christ) about the following question:

- How can we as a Family better engage our world in the rhythm of celebration?
