

Summer Series Live- Duane Calvin

Main Idea

Your most important assignment is to find and follow God's will for your life.

Starter

Where is a place in your life you would never want to visit? Why?

Discuss

How are your family conversations going? How can we pray for you and/or your family?

Scripture

As a group, take turns reading the [book of Jonah](#) together (Yes, the whole thing 😊). Then, discuss:

- What does Jonah's response to God show you about human nature?
- Have you ever had a time when you deliberately went the opposite direction of what God wants for your life? What did you learn from that experience?
- Do you have a "Nineveh" in your life right now? (Something God wants you to do that you don't want to do) If so, what is it and what is keeping you from trusting God's direction?
- What would it look like for you to run toward God's will for your life rather than away from it?

Apply

Give your group a quiet moment to pause, reflect, and pray about the following questions. Then, break up into prayer partners of 2-4 to share and pray.

1. What is a way you could give up going "your way" and start following God's way?
2. What is the next step you could take?
3. How can we pray for you?

Spend time praying for each other to experience forgiveness and have the courage to follow God's will in your life.
