

Interview Story Method

The following questions will help you communicate a 7-10 minute snapshot of your life to the group. You may use it as a step-by-step guide when you share your story. The goal of the “interviewer” is to help you share your story in a conversational, comfortable way and keep you on track with time. The time you share will pass more quickly than you think. Your goal isn't to share your entire life story, but to give your group a foundational understanding of who you are.

Some questions you can use for the interview:

1. Where are you from? How long have you lived in the Triangle?
2. What is something few people may know about you (e.g., former figure skater, etc.)
3. Tell us about your family. How was faith practiced (or not practiced) in your family growing up?
4. How did you come to know Jesus? Who has influenced your faith the most?
5. What is a way Jesus has made a difference in your life?
6. How can we pray for you?

After the person shares, make sure to give your group 5-10 minutes to give encouragement, ask follow up questions, and pray for the person.
