

Trust Issues 1

Main Idea

If we are going to trust God, we need to be willing to take risks.

Starter

What is something in your life that requires trust right now?

Discuss

How can we pray for you and/or your family?

Spend some time praying together as the Holy Spirit leads.

Scripture

Read Acts 9:1-19. Then, discuss:

- What does this passage show you about God?
- What does this passage show you about what it means to trust God?
- How would you have felt if you were Ananias and God sent Paul to your house? What risks did He have to take to trust God and Paul?
- Share a time from your life when God has invited you to take a risk to trust Him or someone else. What did you learn from that experience?

Apply

Pick someone in your group to read [Psalm 23](#) slowly to your group. Then, give everyone a moment to pause and pray about the following questions.

- What is a way God is inviting you to trust Him in this season of your life?
- What is a risk He might be leading you to take to love someone else?

Then, break up into groups of 3-4 to share your reflections and spend time praying for each other as the Holy Spirit leads. Make sure to spend some time praying for people you know who are hurting and need the comfort only the Holy Spirit can provide.
