

ROOTED

Rooted Recap

This week, we're going to do something a little different in our groups. In light of our focus for the year: "Rooted in the Word. Community on Mission," we want you and your group to have a sincere dialogue about where you are in your faith, and where you're asking the Lord to take you. This week, take some time to answer these questions together. Consider this a time to dive deep, sharpen one another, develop accountability plans, and set goals for spiritual growth.

1. How would you describe your relationship with God is 2025?
2. What do you want to be true of your relationship with God in 2026?
3. What's it going to take for us to get moving in that direction?
4. What's one way we can commit to one another to grow deeper as a group this year?
 - a. (Don't just talk about it. Put a plan in place.)
5. Close your time with prayer together.
